

Linwood in Sand

K Hello from Kaya.

Founded with rich manufacturing experience and a great passion for soft floor textiles, Kaya Carpets produces high quality, lasting broadloom that elevates spaces of all sizes.

Based in Cartersville, Georgia with a primary manufacturing facility in India, we offer a range of fine broadloom and unique, hand-loomed floor-covering products to the market that reflect a sensitivity to color and a culture of curiosity. With a team that combines seasoned industry veterans and fresh talent, Kaya Carpets brings decades of experience and knowledge of weaving techniques, coupled with the preservation of old looms, creating an environment that encourages new expressions in product design. Whatever your needs, our team is ready to assist you.

 @kayacarpets #thekayadifference

Kaya Carpets strives to be a strong collaborator to our clients and to the design community and to provide the highest level of personal service. Our team is committed to be good stewards of the environment and to caring for craftsmanship and the communities who work together to bring our woven constructions to your home.

#thekayadifference

Alder in Azure Seas

Alta

Alta has a medium/large stepped design with a Moroccan feel yet a usable, subtle color range. This Wilton carpet features a raised cut pile outline over a loop pile ribbed texture created with thin tonal stripes. The addition of a clear blue enhances Alta's essentially neutral color palette.

Sand

Sage

Linen

Grey

Navy

Rowan in Pebble

Arlen

Arlen offers a happy medium-scale grid created by loop dots against a darker striped loop field. In some colorways, the dotted plaid looks like stars in a dark sky or a pattern of lights on a wet street. Arlen has an evocative color palette of neutrals and shades of blue.

Fawn

Grey

Granite

Steel

Navy

Brookfield

Brookfield offers a pretty, small scale pinpoint texture in a birds-eye design.

This woven Wilton's lovely all loop carpet has the feel of an upholstery textile. Color combinations mix ivory with a light warm taupe, medium grey, charcoal and navy. All rug samples shown are serged in coordinating/ matching yarn.

Taupe

Grey

Charcoal

Navy

Cascade

Cascade is a soft, rich-looking cut pile with elegant tip definition and a clean surface texture. This handwoven style has a refined palette in a range of both warm and cool neutrals.

Skylark

Skylark has an elegant handwoven texture with a luxurious hand. Within its dense cut and loop construction, thin vertical lines and dashes of lustrous loop yarn punctuate a soft cut pile field. This durable nylon carpet has a palette of six sophisticated colors, including a range of warm and cool neutrals and a classic navy.

Stoney Point

Stoney Point is a woven Wilton carpet with a texture reminiscent of the California coast. It's pattern of random, variegated pebbles is created by the tonal contrast of organic cut pile shapes within a sea of lustrous loop pile. This 100% nylon product is offered in a range nature-inspired tones.

Supreme steel
